

Summer Camp

Lights, Camera, Checkmate!

Dim the lights, grab a snack, and sit back to learn.
It's storytime, but with checkmates!

Watch 1-2 ChessKid videos on a topic your player hasn't explored before.

Stalemate tricks, counterattacks, or opening traps? ChessKid's video library has it all!

Bonus challenge

Have your player teach you what they learned by acting it out, drawing it, or recording a video.

Tip

This is a perfect rainy day afternoon or quiet time activity.
