

# Summer Camp Strategy Showcase!

Today, your player will choose a ChessKid lesson or article and create their own "How-To Guide" based on what they've learned.

List three key tips: What are the three most important things they learned?

Add an example of how they will use this in a game.

Give their guide some creative touches such as a unique name. Add their own personal flair like a mascot or slogan.

## Bonus challenge

Ask them to present their strategy like a coach or YouTube celebrity. It's a great way to practice communication skills and confidence!

## Tip

Display the How-To Guide somewhere special to show your player they built something cool and educational.
