

# Summer Camp: Secret Mission

## Game Review #6

CODENAME: THE DEBRIEFING ROOM

Every great agent reviews their mission after it's complete. Head to Game Review after your Fast Chess game and go through every move with your own coach because great players never stop learning!

### Mission Briefing

Complete a Fast Chess game on the ChessKid iOS app. Head to Game Review and explore every move.

Choose your coach! Pawn, Knight, Bishop, Rook, Queen, or King bring their own personality to the debrief!

Review your stats and your opponent's stats: Brilliant, Great, Best, Excellent, Mistake, and Blunder.

### Bonus challenge

Find your best move of the game and your biggest mistake.

Can you figure out what you would do differently next time? A great secret agent learns from every mission!

### ChessKid HQ Tip

Game Review is currently available on iOS. Make sure you have the app downloaded and ready!

### Parent/Counselor Tip

Sit with your camper during the debrief and ask them to explain their moves like they're briefing you on a mission. It's a great way to build communication skills and chess thinking at the same time!
