

Summer Camp: Secret Mission

Set Up Your Avatar #2

CODENAME: CREATE YOUR COVER

Every secret agent needs a disguise, and at ChessKid, yours is your avatar! Create your very own character and show the world your style before your first move. Chess wizard? A dragon? An astronaut? The choice is yours!

Mission Briefing

On the ChessKid app, head to the **"Me"** tab to update your avatar. On the website, look for **"My Avatar"** in the menu. Personalize your outfit, hairstyle, hair color, eye color, and accessories. Make it yours because no two agents look the same!

Bonus challenge

Spin the Daily Wheel to collect stars and gems and use them to unlock even cooler gear for your avatar. The best dressed agent is the one who never stops playing, so the more you play the more you unlock!

ChessKid HQ Tip

Your avatar is fully animated so check it out from all angles before heading into your next mission!

Parent/Counselor Tip

Think of the avatar as your child's creative signature on ChessKid. They can change their look anytime and it's a fun way to make the experience feel personal and their own.
