

# Lights, Camera, Checkmate!

Dim the lights, grab a snack, and sit back to learn.  
It's storytime, but with checkmates!

Watch 1-2 ChessKid videos on a topic your player hasn't explored before.

Stalemate tricks, counterattacks, or opening traps? ChessKid's video library has it all!

### Bonus challenge

Have your player teach you what they learned by acting it out, drawing it, or recording a video.

### Tip

This is a perfect rainy day afternoon or quiet time activity.
